Dairy Recipe

*Please note that the Dairy Princess pageant will be held on Friday, June 15 at the West Loop Missionary Church Social Hall.

Cheesy Spinach Pie

- 1-9" deep-dish pie shell
- 1-10 oz pkg frozen spinach
- ¼ c. finely chopped onion
- 1 c. + 4 oz shredded Swiss cheese
- 3 eggs
- 2/3 c. evaporated milk
- ½ tsp. salt
- 1/8 tsp. nutmeg
- cayenne pepper
- ¼ c. Parmesan cheese

Place pie shell in oven-safe glass pie plate. When thawed press to plate; prick with fork; bake according to directions. Place spinach and onion in 1 quart dish; cover with plastic wrap and vent. Microwave on high for 5 or 6 minutes; stir once and drain. Layer half of spinach mixture and Swiss cheese into bottom of pie shell; repeat layers. Beat together remaining ingredients, except Parmesan cheese. Pour over spinach mixture, sprinkle with Parmesan cheese. Microwave on medium power for 10 to 11 minutes. Let stand 10 minutes before serving.

Agricultural Seed Shortage

Due to a shortage of many agricultural seeds this year, Mill Hill will not be able to accept corn and alfalfa seed for returns to suppliers. If you have other seeds that are extra, please contact us before returning them to us.

This serves as a good reminder to determine your seed needs early and call Denny or Sarrah to order them as soon as you can. This could help to ensure that you get the variety that you want, when you need it!

Pasture Workshop

Please plan to join us on Saturday, April 21 to learn more about pasture management. Topics will range from soil testing and applying fertilizer and lime to seed selection and grazing management. A complete agenda will be mailed to you soon!
